CYMBIDIUM SEEDLINGS FROM EXHIBITION CLASS PARENTS — SPRING 1950

Supplementing our latest catalogue of Cymbidiums we now offer the following list of Cymbidium Seedlings of distinguished and promising parentage. This list makes an attractive addition to our steadily growing stock of fine seedlings. These seedlings are especially well grown. Their healthy appearance is constantly responsible for favorable comment from visitors at our nursery. We would be pleased to have you inspect them. After careful consideration of the stud plants used and the crosses made, we believe you will agree with us that we are justified in expecting top quality results.

PRICES:

Seedlings with leaves 4-6 inches long are priced at \$3.00 — 6-8 inches at \$5.00 — 8-10 inches at \$8.00 and those with leaves from 10-15 inches long at \$12.00.

California purchasers will please add the required 3% sales tax.

Prices subject to change without notice.
